New free services for employers

We are delighted to announce that we have expanded our range of services to employers.

In addition to our current Mental Health, Unemployment and ACC contracts we now have a **Training for Work** program which works with job seekers on the North Shore over a 9 week training period, led by our fantastic new facilitator Jeanette Bloemendal and job search with an employment specialist. Developing a close working relationship with our job seekers has always been a key factor for in our success in partnering the right people to the right jobs which saves recruitment time and expense, so why not give us a call with your next vacancy and see how our FREE RECRUITMENT SERVICES can benefit your business

ASENZ practitioner meeting August

We recently hosted an Association of Supported Employment New Zealand practitioner meeting at our Henderson offices, The theme of the meeting was the Work and Income benefit changes and the Hon Paula Bennett was our guest for the

afternoon, answering questions and giving us her vision of how the "investment approach" to working with beneficiaries will change outcomes for people.

Employment Placement Service

Our EPS team have just completed one of their Toolbox 4 Work seminars on the North Shore.

We currently have over 35 motivated job seekers eager and ready for work. Please contact us if you have any employment needs.

Next intake dates for EPS Toolbox 4 Work: 23rd September 2013 (West)
22nd October 2013 (North Shore)

We would also like to welcome Susie Sims our latest employment consultant who starts on the team on the 9th of September.
